Bodmin & Wadebridge Neighbourhood Policing Team

Following some proactive work by Neighbourhood Beat Managers PC WILLIAMS and PC CURRIE, an adult female was arrested in Bodmin last month having been wanted on

warrant. This female had been deliberately evading police having failed to attend court when required for breaching her community order and also in relation to a fraud. Another excellent arrest for the team.

If at first we don't succeed, we will try and try again and we will always win in the end.

On the morning of Friday 28th February PCSO Mike DODD attended Community Space and spoke to the organisers and persons attending. PCSO DODD received two

welfare concerns at the event which are now being investigated.

Every Friday morning from 9.30 at St Petroc's Parish Centre, next to Priory Park, people can spend time together, enjoy hot food and drinks and take away meals, all for free.

This is one of the ways Rev'd Elaine Munday, Pioneer Minister for the Bodmin Team Ministry, offers friendship and support to those living in Bodmin.

Started in the winter of 2022 as a 'warm space' this will continue into the spring and summer with a new name 'Community Space'

Whatever the name, a very warm welcome will be extended to everybody on Friday mornings for a long time to come. For updates, please contact office@bodminway.org, 01208 809601 and [facebook.com/BodminWay](https://www.facebook.com/BodminWay).

Getting in touch.

We're always here if you need us – but if it's not an emergency (i.e. a crime isn't happening right now and no-one is in immediate danger) then reporting online will save you time and means we have all the information we need to respond appropriately.

Scan the QR code below to take you to our website home page and choose one of the blue boxes to find the form that's right for you.

There are situations which look like they should be police matters, but which are actually dealt with by other agencies, such as noisy neighbours, dog fouling, fly tipping and more. To avoid delays, always visit our website first to see if this is an issue which is more appropriately dealt with by another agency.
